

## BACN BLOG #4 – 7<sup>th</sup> November 2016

### November Regional Meetings

After a break during the summer, our regional group meetings are back! We will be visiting various cities up and down the country this November, holding insightful meetings for members of the BACN.

#### **What will the meetings involve?**

Each group meeting will offer members a chance to find out what's going on within the BACN at the moment. We'll be sharing exciting news, updates, and our plans moving forward as we look towards the New Year and what that may have in store for the industry as a whole, and the BACN itself.

At each meeting there will also be a live demonstration, ranging from one of Galderma's top business consultants being on hand to help you and your practice, to Alumier Labs MD UK presenting on skincare. Each event will have their own demonstration, so make sure you take a look at our website to find out what we have planned for your meeting!

#### **I've never been to a meeting before, how can they help me?**

Our regional meetings offer a fantastic opportunity for all members to network, and share best practice. We find this is particularly beneficial for our new members to gain more knowledge from those who have worked within the industry for a number of years.

#### **Do the meetings include CPD points?**

We are proud to provide top quality educational, training events carrying CPD points to help members keep up to date with the latest developments in the industry.

All our meetings include presentations, which give you valuable CPD points and enable you to gain further knowledge in an ever-changing industry. The meetings will also provide you with opportunities for peer review sessions with your fellow nurses, and the chance to meet your regional leaders.

#### **Will there be BLS training too?**

There is BLS training taking place at our North West Group Meeting in Manchester, which will

immediately follow the meeting presentations. You will need to book both this and the meeting separately, places are limited.

### **How often are the meetings?**

Each region will hold two Super Meetings a year and two smaller 'get to know each other' mentoring meetings. Each region also has a Regional leader and Regional Facebook Group through which to communicate. For any new member these meetings are vital to get to know what the BACN is about and to make great contacts and friendships.

The locations, times of meetings and content are all now on the BACN website on our events page:
