# **BACN– Press Release: BACN Announces new Bursary Programme with Church Pharmacy**

The BACN is delighted to announce a new Bursary Award Programme for its nurses supported and funded by Church Pharmacy.

The new programme was announced at the sold out BACN Autumn Aesthetic Conference held in Birmingham on 8<sup>th</sup>/9<sup>th</sup> November 2018. 300 nurses heard Sharon Bennett, BACN Chair and Zain Bhojani, Managing Director of Church Pharmacy give details of the new Bursary Award Scheme that will start in January 2019. This programme will offer financial support to BACN members wishing to undertake a broad range of education, CPD and specialist training. The BACN is all about supporting its members and this is another reason why aesthetic nurses should join. The BACN is now the largest and fastest growing Professional Association in aesthetics.

Education, training and CPD are the most important issues that aesthetic nurses think about on a daily basis. The BACN Conference also announced the formation of a new Education and Training Committee which will oversee the Bursary Scheme and most importantly start to develop a new Competency Framework for the Specialist Aesthetic Nurse.

Sharon Bennett – BACN Chair said,

'We have spoken for a number of years about developing a Bursary Scheme for our members and with the support of Church Pharmacy we are now able to do this. The BACN has had a longstanding relationship with Church Pharmacy so we are delighted that we can announce this partnership'.

Zain Bhojani, Managing Director of Church Pharmacy said,

‘A huge part of our business involves aesthetic nurses and this is another way in which we as a company are showing our continuing commitment to nurses working in aesthetics. We have supported the BACN for many years and are delighted to be the BACN’s partner in such a super scheme’.
